It's a new journal without any publication or processing fees started by me. It will be free of cost throughout. I need some Social Science journals for free publication. Thanks! I need some Social Science journals for free publication. Thanks!

International Journal of Structural Glass and Advanced Materials Research. ISSN: 2616-4507. Journal of Aircraft and Spacecraft Technology. ISSN: 2523-1200. Journal of Computer Science. Collaborated Journals & Publications. IFERP Organizes Conferences, Meetings, Summits and Workshops globally which help in enhancing the skills of the people and forms a common platform for eminent personalities, professionals, Researchers, Deans, and Academicians. IFERP Journals are peer reviewed and collaborated journal aimed to publish the most interesting and complete reliable source of information on current developments in the field of Arts & Science, Management, Engineering & Technology.
