Dear **New Seventh Graders**,  

Congratulations! You will be entering the seventh grade in August. Summer is a time to relax and have fun with your friends - and also a time to choose some good books and keep up with your reading. Remember that students who read over the summer do better in school than students who don’t.

In order to support your literacy goals, SCJH requires you to read two books over the summer.

All 7th graders MUST read the following book:

**Freedom Riders: John Lewis and Jim Zwerg on the Front Lines of the Civil Rights Movement**  
By Ann Bausum  
Hardcover 2005 (used copies available at amazon.com)  

In addition, you MUST read one title from the list below; starred titles are available to borrow from the school.

*Chronicles of Narnia Book 2 – The Lion, the Witch, and the Wardrobe – C.S. Lewis  
Counting by 7s - Holly Goldberg Sloan  
*Daniel’s Story – Carol Matas  
The Eighth Day - Dianne K. Salerni  
Eye of the Storm - Kate Messner

Task Descriptions:
Task details are on the next page. Complete these tasks independently over the summer. **The two paragraphs and the four graphic organizers must be signed by your parent/guardian.**

- Before you begin reading your summer selection, preview the paragraph prompts and the graphic organizers. You may want to use Post-Its to mark pages that contain information you plan to use in the paragraphs and graphic organizers. For example, when you notice a new vocabulary word, flag it for your chart. Fill in the graphic organizers completely, neatly, and accurately, making sure to follow the directions for each section.

- Ask your parent/guardian to sign and date the bottom of each paragraph and graphic organizer.

- Bring the work to class on the first day of school. The summer reading task will count towards your first quarter grade.

When you return to school in August: **You will earn dress down passes for any additional AR books that you read and successfully test for during the first week of school.**

Hints:

- Choose your book early to avoid being disappointed. There are limited copies of the starred titles available at school. If you borrow a book from school, please return it on time, so others can also borrow it.

- Your local library also carries copies of the listed books. Get in early!

- Alternatively, you can purchase used copies of the books very cheaply on Amazon.com.

- If you lose your book list or task description over the summer, you can find copies on the SCJHS website.

Have a safe and happy summer and see you in August!

1. Task Description: **Freedom Riders: John Lewis and Jim Zwerg on the Front Lines of the Civil Rights Movement**

   Answer both questions - 1 and 2. For each question, write a paragraph of approximately 300 words (half a typed page). You may either handwrite your response, or type it - whichever works best for you.

   1. The opening chapters of *Freedom Riders* present the early histories of John Lewis ("Black America") and Jim Zwerg ("White America"). Born within months of one another, these men could not have lived more different childhoods. Yet each young man shared common experiences, too. Write to compare and contrast the histories of John Lewis and Jim Zwerg—from the condition of their homes and schools, to the role of religion in their lives, to the first moment when each one stood up for equality.

   2. John Lewis, Jim Zwerg, and thousands of other people put their lives on the line for the Freedom Rides and other events of nonviolent protest during the civil rights movement. What causes might attract such sacrifice today? Does a commitment to nonviolence play a role in contemporary protest? How can readers of *Freedom Riders* respond to the calls for activism and civic involvement made by both John Lewis and Jim Zwerg in their forewords that accompany this book?

2. Task Description: **Book of your choice**

   For the book of your choice, complete the following organizers. Samples have been provided to guide you.

   You may either copy the organizers onto a separate sheet of paper, or download and print them from Mrs. Judisch's website.

3. Make at least three discussion thread contributions

   On the SCJH Website, go to *For Students*. Scroll down until you see 7th Grade Summer Discussion. This is where you will post your discussions.

   **Remember to ask your parent/guardian to sign each piece of work.**
Freedom Riders compares and contrasts the childhoods of John Lewis and James Zwerg in a way that helps young readers understand the segregated experience of our nation’s past. It shows how a common interest in justice created the convergent path that enabled these young men to meet as Freedom Riders on a bus journey south. I chose to read Freedom Rider’s: John Lewis and Jim Zwerg of the Front Lines of the Civil Rights Movement by Ann Bausum because it seemed very interesting to me, but mostly because I needed some extra credit. This book was the best extra credit assignment I have ever done. It compares and contrasts the lives of two Freedom Riders and how they came to be Freedom Riders. The two freedom riders are John Lewis and Jim Zwerg. 16 June at 12:08 Â· diversify your bookshelves- a book for your consideration Freedom Riders: John Lewis and Jim Zwerg on the Front Lines of the Civil Rights. virtually open @libromobile. #freedomriders #childrens #usedbooks #amplifyrevolutionaryvoices #virtualbookstore #libromobile. That bus ride nearly cost Jim Zwerg his life when he and the other so-called Freedom Riders were set upon by a mob of hundreds that had been lying in wait for their arrival at the Montgomery, Alabama Greyhound station: "Mob members threw him over a railing, knocked him to the ground, kicked him in the back, and stepped on his face. Zwerg blacked out, oblivious to the continued assault." Amidst the pages and between the lines of FREEDOM RIDERS, Ann Bausum’s latest stellar book on the lesser-known American heroes behind our nation’s most important human rights movements, I found myself anxiously seeking to discover any lessons that might be found in regard to how Jim Zwerg was raised, that he was willing to selflessly risk his life for the.
